## CHANGES IN QUALIFYING FOR CIF-SS PRELIMS

Due to major changes in the qualifying process for the 2000-2001 Track and Field season (CBED enrollment figures for individual schools, at-large entries, etc.) and in an effort to maintain a manageable number of entrants to the CIF-SS Prelims, a one year pilot program will be place to determine which varsity athletes advance from their league finals to the CIF-SS Prelims.

1. First and second place finishers in each event will automatically qualify.
2. Third place finishers will qualify IF they meet the nimum standard for their event..
3. At-large entrant standards will be different from the minimum standards. (*\*At large standards can only be achieved in varsity league finals competition.*)
